# Welcome...

... to Lakeview Lodge for Conferences - Bespoke Meeting, Break-out Spaces and Accommodation in a private rural, lake environment.

With a success in hosting executive groups, reward and incentive retreats, we take pride in offering packages specifically designed with you in mind. We are finely finished and elaborately detailed, Lakeview Lodge takes guests away from the hustle and bustle of life to a peaceful, calming and rejuvenating oasis.

Centrally located between Cambridge, Matamata and Tirau, the awe-inspiring lakeside escape is central to popular visitor attractions and events that make the region sought after on the domestic and international markets.

The Huntington and Hampton's Lodge can sleep up to 22 guests, and are fully self-contained. Both lodges have fully equipped kitchen and laundry each, private deck space with plenty of break out areas. The Lodges are interconnecting that creates a fabulous convivial space for you to enjoy. All you would need plus more here at Lakeview Lodge Karapiro.

# Huntington

Sleeps up to 12 guests

Huntington has the most luxurious, warm tones of this Lodge. There is a warmth that instantly makes you feel welcome and at home. Two king size rooms (that can be configured to two singles), a cabin room that sleeps 8 and an entertainment or relaxed meeting room.

The panoramic views will have you sitting back and just looking to enjoy this valuable time with colleagues, and this includes family and friends.

- Two luxurious king rooms (or twin rooms)
- Cabin / bunk room that sleeps eight
- Entertainment room
- Convivial lounge and dining area
- Outdoor dining in garden
- Undercover parking at front door
- Three Bathrooms
- Separate toilet

# Hamptons

Sleeps up to 10 guests  
Wheelchair access

In our Hamptons lodge, you have crisp clean lines with a calm environment enabling you to have that space to focus on what is important for the now, whilst having all the home comforts around you. This offers four king size bedrooms (that can be configured to two singles), one twin room and wheel chair access. Plenty of space and light for your group to work uninhibited.

- Four luxurious king rooms (or twin rooms)
- One twin room
- Convivial lounge and dining area
- Three Bathrooms
- Separate toilet
- Wheelchair friendly
- One Bathroom with Bath
- Large deck with outdoor lounges

# Business Services

When you choose to stay with us, for a day meeting or a longer stay, you are getting more than a meeting space. With our proven success, we welcome the opportunity to create a space that will provide you with all that you need with the personalised service that we pride ourselves in providing.

## Wi-Fi

We have the latest Ultra-Fast Fibre Technology and work with a company to support us in providing the best possible services in this area. This is secure and accessible throughout the Lodge.

## Business Bureau

If there is something you may have overlooked once you have arrived, then we have an office space we can assist you with. Be it typing, stationary items, printing, laminating or out-sourcing last-minute requirements.

## Executive and Business Coaches

When you need your whole team to be totally present, sometimes it can help to have an independent to support and encourage you to be present and create a space for effectiveness for all those attending this occasion. With experience in this area, we can source some incredible coaches to assist you in facilitating your meeting.

## Audio, Video and Photography

Working with expertise in the field of this area, we ensure you have what you need to enhance the space you have and capture the occasion where needed. Some of the items we can source are:

- |                         |                |               |

# Catering

Specific to the needs of the group. The options we offer have been tried by corporate groups we have hosted and have worked beautifully. We create options specifically for the group visiting with us.

*Pricing on application*

## Self-Catering

Should you wish to self-cater your event, our fully equipped kitchens in each lodge, with everything you may need to get creative and serve in style. We also offer BBQ's in each lodge as an additional feature.

## Provisions Package

Building on the above, we have the facility to receive Countdown deliveries, which allows you to order online and for this to be delivered to Lakeview Lodge and then we can place the items in the pantry, fridge and freezers, ready for when you arrive and allows the opportunity for you to work at the pace you need.

## Breakfast Package

We offer breakfast packs from continental through to a Lakeview Lodge breakfast pack. Because we realise that not one size fits all, we work together to come up with an option that would meet the group's needs and dietary requirements. With the cooking options, we leave that to you to enjoy at a time and a leisurely pace that your stay deserves.

## Fully Catered

We work with two fabulous companies to bring locally sourced where possible, fresh season ingredients, and support our commitment to sustainability. If there is a specific company you would prefer to work with and/or personal chefs, then we would be delighted to welcome here to Lakeview Lodge.

## Wine Cellar Service

Lakeview Lodge offers a food and wine matching service. We work with Villa Maria Wines to bring the best that New Zealand has to offer. Should you opt for wines from further vineyards then we can accommodate there.

## Private Room Restaurant

When you need a sojourn to the local town of Cambridge only 20 minutes' drive from the Lodge, then there is the option of enjoying a private dining room and bar facilities.

# Getting here and around

Please contact us for the easiest route prior to arrival. We have ample parking for cars and a helipad onsite.

Hamilton International and Domestic Airport is only 35km from Lakeview Lodge and 20 minutes from Hamilton's main transport hub, and an easy drive from major attractions such as the Waitomo Caves and the Hobbiton Movie Set.

An extensive and well maintained roading network links the Waikato region. Car rentals are easily available and self-drive is the most popular way to get around. Hamilton Transport Centre is the hub for bus and coach services. Rail links are available to Auckland and Wellington.

Climate:

Spring (Sep-Nov) – warming up, clear days with cool showers, 8-18°C; Summer (Dec-Feb) – dry and sunny, 21-30°C; Autumn (Mar-May) – moderate rainfall likely, 9-20°C; Winter (Jun-Aug) – heavy rainfall, possibly foggy conditions, 3-15°C.
